

MIIIFS

FLOORING STAPLER

Fastener Summary

Features & Benefits

Built to drive either cleats or staples accurately and quickly, these pneumatic flooring tools are perfect for where large areas of flooring need to be laid. The tools feature a contoured foot to fit snugly on to the boards, positioning the tool perfectly for an extremely accurate and neat result. Two models available: MIIIFN (drives floor cleats) and MIIIFS (drives S4 staples).
