FASTFIT®

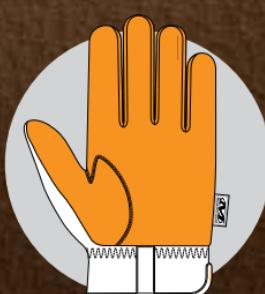

LEATHER HAND PROTECTION

Pull on a pair of FastFit® Leather gloves and get to work with genuine DuraHide™ to protect your hands when you're in full swing. DuraHide™ leather provides extreme abrasion resistance when operating power tools and hauling abrasive building materials. The FastFit Leather work glove conforms to your hand with breathable TrekDry® to help keep you cool and comfortable in the summer heat. When the job's done, just toss them in the wash for a fresh start to the work week.

ELASTIC CUFF

Comfortable stretch elastic cuff provides easy on and off flexibility.
